INTRODUCTION

M/S Igsar is a diversified business group domiciled in Canada. Igsar is involved in International Trade, Real Estate, Investments, I.C.T., Healthcare and consulting streams. Igsar is a quality brand of surgical instruments (reusable & disposable), Medical Disposable items and other products for general procedures, surgery and dental clinic needs. Igsar ensures that its products are manufactured using high quality raw materials and state of the art manufacturing process, under a stringent quality control and sterile environment. Since healthcare products play a critical role in the demanding field of medicine, our primary objective is to get manufactured and supply products that meet strict hygienic standards. Igsar is currently expanding its distribution markets globally.

At Igsar customer experience and satisfaction is placed at the core value of business. Efforts are geared towards understanding customer needs and requirements to cater quality products compliant with the highest industry standards. Igsar strives to create value for all stakeholders, by being a subscriber of latest trends and innovation. It prides in introducing the most practical and state-of-the-art products to the market.

Assured with quality confidence, backed by dexterity and skilled craftsmanship, Igsar aspires to become one of the leading suppliers of choice in the Surgical Instrument and Medical Disposables industry. Igsar ensures its products are trustworthy, engineered to perfection and have been grounded on the substratum of invaluable inputs made by its customers. What distinguishes Igsar from others is its synergistic and focused approach towards satisfying clients needs in line with international marketing standards.

Igsar also provides Healthcare Consultancy services. These services include Medical Planning, Primary Healthcare, Healthcare Financing, Clinical Knowledge Process Outsourcing and Hospital Management etc

IGSAR SPIRIT

Igsar is endeavoring into international markets with true entrepreneurial spirit. It is committed to stand dependable as a partner in meeting the needs of its clients. Igsar drives excellence in service, quality and trust to be number one.

VISION

Endeavour to build faith, safety and demand worldwide through expertise and latest technology.

MISSION

Create an enduring value through excellence, commitment and high professionalism.
